Professional Development and Employee Assistance (PDEA) Information

PDEA application deadlines are:
November 15, March 15, and July 15

Professional Development

Although CUPE 3908 Unit 2 members are not required to engage in research and scholarship as part of their employment responsibilities under the Collective Agreement, eligible employees may submit professional and academic development applications for assistance from the fund to a maximum per employee of not more than \$300.00 per year.

Employee Assistance (UHIP)

Recognizing that CUPE members coming from abroad pay much more for the University Health Insurance Plan, members who are paying UHIP fees can apply for assistance to a maximum of not more than \$300.00 per year.

ELIGIBILITY

All full-time Graduate Teaching Assistants (working appointments totaling 120 hours for the year) may submit applications for PDEA reimbursement. Receipts for professional development must be from the year you apply.

If you are also submitting applications for conference funding to the TGSA, be sure to use different original receipts for the CUPE PDEA fund.

Funding Formula

As outlined in Appendix D of the Unit 2 Collective Agreement, there is a fund of \$20,000.00 available to members for PDEA coverage up to \$300.00 per member for Professional Development and \$300.00 for Employee Assistance (UHIP) each year.

Applicants who apply for PDEA will be subject to the following funding formula:

If the amount of money requested by members is less than the amount of money in the fund, all eligible applicants will be reimbursed for their requests, upon approval of the PDEA subcommittee, up to the \$300.00 maximum per member per year.

If the amount of money requested by members exceeds the amount of money remaining in the fund, the PDEA committee will calculate the amount remaining in the fund as a percentage of the total amount approved for payment. For example: If there is \$1000.00 left in the fund and the total requested funds is \$1500, eligible applicants will receive 2/3 of their requested funds. This will ensure an equitable distribution of funds among all eligible applicants.
