WHAT IS THE PDEA?

Although CUPE 3908 Unit 2 members are not required to engage in research and scholarship as part of their employment responsibilities under the Collective Agreement, eligible employees may submit PDEA applications for assistance from the fund to a maximum per employee of not more than \$500 per year.

PDEA: WHO IS ELIGIBLE?

All full-time Graduate Teaching Assistants (working appointments totaling 120 hours for the year) may submit applications for PDEA reimbursement. Receipts for professional development must be from the year you apply.

PDEA: TGSA & CUPE 3908

If you are also submitting an application for conference funding to the TGSA and CUPE 3908 PDEA Fund, be sure to submit different expenses to each fund.

WHAT IS THE UHIP EMPLOYEE ASSISTANCE FUND?

Recognizing that CUPE members coming from abroad pay much more for the University Health Insurance Plan, members who are paying UHIP fees can apply for assistance to a maximum of not more than \$200 per year.

UHIP ASSISTANCE: WHO IS ELIGIBLE?

All full-time Graduate Teaching Assistants (working appointments totaling 120 hrs for the year) without OHIP coverage may submit applications for reimbursement.

FUNDING FORMULA

As outlined in Appendix D of the Unit 2 Collective Agreement, there is a fund of \$27,500 available to members for PDEA coverage up to \$500 per member for Professional Development and \$200 for Employee Assistance (UHIP) each year.

Applicants who apply for PDEA will be subject to the following funding formula:

If the amount of money requested by members in a process period is less than the amount of money remaining in the fund, all eligible applicants will be reimbursed for their requests, upon approval of the PDEA subcommittee, up to the \$500 maximum per member per year.

If the amount of money requested by members in a process period exceeds the amount of money remaining in the fund, the PDEA committee will calculate the amount remaining in the fund as a percentage of the total amount approved for payment. For example: If there is \$1000 left in the fund and the total requested funds is \$1500, eligible applicants will receive 2/3 of their requested funds. This will ensure an equitable distribution of funds among all eligible applicants.
